Testimonials

“Beautii helped me organise hair and makeup for my wedding day at very short notice. The whole process of working with them was very smooth, efficient and professional and I felt that they really understood what I was looking for. When everything was booked I received reminder messages on the day of the test and wedding day and assurances that the team was there to help or answer any questions. I was super happy with the results of the hair and makeup and definitely be using Beautii again. Thank you so much”

Testimonials

“It was a pleasure to have the Beautii Team with me and my family in Dorset for such a special moment in my life. Beautii did an incredible job of curating the perfect team to match each of mine and my bridal party needs. I couldn’t be happier or recommend their services more.”

“The Beautii team were a dream to work with for my wedding -from a seamless booking process for over 17 guests, to the amazing artists who came on the day, everything worked like a smooth operation! Not only is the team extremely professional, but they are amazing artists who can help you achieve the look you want! As the bride, I couldn't have asked for more, Jodie and her team were a big part as to why I wasn't stressed and could focus on having fun during the wedding (and enjoying all the compliments coming my way)!”
